- ie - o Trees may bud and birds may sing flowers may bloom and ver - ger spring But joy to me they can - na bring un - less wi' ye my dear - ie - o

2. Towering o'er the Newton woods, lav' rocks fan the snow-white clouds
Siller soughs wi' downy buds adorn the banks sae brearie-o
Around the silvan fairy nooks, feathery breckans fringe the rocks
Beneath the brae the burnie jouks and ilka thing is cheerie-o

Ch.
